

## Donate an item for our raffle!

Your donation helps support CREW Land & Water Trust's mission: to preserve and protect the 60,000-acre Corkscrew Regional Ecosystem Watershed through environmental education for all ages. Last year, 60,000 people visited our trails, approximately 6,300 people took part in our education programs and we reached another 11,000 people through outreach events.

The CREW Land & Water Trust holds two fundraisers each year: our annual golf tournament, held in November, and our Concert & Silent Eco-Auction, which will take place on Feb. 16, 2019 at Riverside Park in Bonita Springs.

We would like to partner with area businesses, restaurants and service-providers as part of this year's golf tournament raffle. In return for your donation, you will receive recognition during the golf tournament and items will be previewed on our website and may be promoted through social media.

Donated Item: \_\_\_\_\_
